

## Notification of Change for AR Home Connect

January 8, 2014

**Please note:** If you have used AR Home Connect in the past, the web address has changed.

We use a software program called Renaissance Place at school that 2<sup>nd</sup> through 8<sup>th</sup> grade students use to take Accelerated Reader quizzes on books they have read.

This program has a special feature called Renaissance Home Connect, which students and parents can access outside of school from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, you and your child to share information about your child's progress in Accelerated Reader. You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser.

### **To log in to Renaissance Home Connect**

Go to <https://hosted269.renlearn.com/183192/HomeConnect> and login using your students Accelerated Reader username and password. A letter was sent home recently containing this information.

If you'd like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, add *homeconnectautodelivery@renlearnrp.com* to your address book.

If you have questions about Renaissance Home Connect, email [Lauri.VanDerVoorn@morton709.org](mailto:Lauri.VanDerVoorn@morton709.org).
